

JCP-2 FREEZING PLATFORM

Lipstick Cooling Machine

Feature

- ◆ Adopting air cooling system, easy to maintain.
- ◆ Inner component is made of copper materials to effect better performance.
- ◆ This special design is effecting better cooling efficiency as well as energy saving.

主要参数 Main parameters

型号	Model	JCP-2
外形尺寸	Outer dimension	1360 × 750 × 1300mm(L × W × H)
电压	Voltage	AC380V(220V), 3P, 50/60HZ
风温	Air temperature	-15℃~-20℃
有效冷却面积	Cooling area	1200 × 550mm
